Final Concert April 12

SYMPHONIC BAND CONCERT

The Regional Symphonic Band, under the direction of John R. Pandolfi, will present the final concert of the 1969-1970 series on Sunday, April 12th, at the Old Rochester Regional High School auditorium at 3:00 P.M.

Michael Brigida of Plymouth, a 19-year virtuoso on the organ, will be the soloist for this program and will play semi-classic show tunes and popular music. Mr. Brigida is a 1968 graduate of Plymouth-Carver High School and was the winner of the incentive award from the Plymouth Philharmonic Orchestra. He now attends the Boston Conservatory of Music with a Major in music education and a goal of a Bachelor of Music degree.

This young man is also a student of Miss Maria Bono at the Conservatory.

Here is a young man who has run the gamut in all areas of music from Rock to the Classics; he also performs in his father's dance combo plus the band and orchestra at school.

Needless to say, this young man is a great talent and it is anticipated that he will rise to great heights in the field of music.

NATIONWIDE DRIVE LAUNCHED

The Marion League of Women Voters will participate in a nationwide drive to win congressional representation for the 800,000 residents of Washington, D.C. In announcing the petition drive, League President Mrs. Ralph Thacher stated, "The fact that the 800,000 people who live in our nation's capital have no one to represent them in the Congress of the United States is a basic injustice which must and can be righted."

Mrs. Thacher pointed out that since Washington, D. C. is actually governed by the Congress, the lack of representation is a serious curtailment of an individual's right to participate in the affairs of government. Without elected spokesmen in Congress, residents of the District of Columbia have no one to represent their views on issues of national or foreign policy. In addition, Congress sets both federal and local taxes which D.C. residents must pay.

The slogans, "Washington, D.C., The Last Colony" and "Taxation Without Representation is Wrong" will be used to high-

light the lack of congressional voice or vote for District residents. The Marion League of Women Voters will gather petition signatures in Marion, Mattapoisett, Rochester and Wareham, the towns from which it draws its membership, during the week of April 16-22. A list of places where these forms will be available will be released next week.

The drive to secure congressional representation for the District of Columbia is an important part of League of Women Voter activities during its 50th anniversary year. The League has designated 1970 as The Year of the Voter and, in addition to the D.C. petition drive, will be placing emphasis on the importance of the franchise for all Americans.

PRIZE FOR HISTORICAL SYMBOL

The Rochester Historical Society, Inc. is sponsoring a contest to find an historical symbol that can be used as the society's official seal. The first prize will be a $25. savings bond, with second and third prizes of $10. and $5. respectively. Those interested are asked to submit their entries to Mrs. Ralph Walker, Snipatuit Road, Rochester. The deadline for the contest is May 25th. The Society is encouraging all residents to enter regardless of age or artistic ability. Entries will be judged on originality and suitability of the symbols, not on artistic merits. Prizes will be awarded at a special June meeting of the society to be held at the North Rochester Congregational Church.

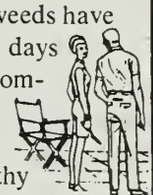
In other activities, Mrs. James Gurney, president, presided at a recent meeting of the society held at the home of Mr. and Mrs. William Deakin. It was announced that additional 1704 and 1854 Rochester maps are available. Persons desiring one may contact Mrs. Gurney or Mrs. Richard Besse.

Eben Bowen was appointed by Mrs. Gurney to serve as the Historical Society's representative on a Charter Study Committee to investigate the feasibility of establishing a charter for the town of Rochester.

An 1856 Walling Map of Rochester was received by the society as a gift from Mrs. Helen Ashley.

It was announced that Robert Humphrey had been appointed by the Mattapoisett Historical Society to serve as that town's representative on the Rochester Tercentenary Planning Committee. Marion and Wareham, two other towns that were in-

APRIL WEED & FEED Sale

Put Scotts famous TURF BUILDER PLUS 2 on your lawn this week end. For the first few days nothing much will seem to happen. Then one day you'll notice that the weeds have begun to shrivel. A few days later they'll disappear completely — roots and all.


In their place will be healthy green turf — the result of the fertilizing action of PLUS 2. It's a full-feeding too, equivalent to Scotts famous Turf Builder. Makes grass plants spread out and fill in those places where the weeds *used to be.*
The time to use PLUS 2 is right now, while weeds are actively growing. You put it on just like ordinary fertilizer. It's clean, lightweight, and easy to handle. So pick up your PLUS 2 this week

cluded in the original Rochester township, have also been asked to appoint delegates to help co-ordinate activities for the 300th anniversary celebration. Harry Brown, vice-president of the Rochester Historical Society, is currently acting as chairman of the Planning Committee.

The society's Museum of Antiques and Heirlooms will be held on Sunday, August 2nd. Mrs. Gurney has requested that anyone interested in lending articles for exhibit, contact her as soon as possible.

Society members agreed to set Sunday, April 12th, as a work day at the Old Parish Cemetery. It was noted that most strong weed killers have been banned as pollutants. Therefore, it is hoped that further spread of the brush can be prevented by clipping the undergrowth and applying salt to the fresh cuts.

The next regular meeting of the Rochester Historical Society will be held on April 29th at the home of Mr. and Mrs. David Enroth.

1st Step to Miss America

MISS WAREHAM SCHOLARSHIP PAGEANT

The annual search for Miss America has already begun across the nation, which means that local pageants are now being staged. The goal of every contestant who enters a local pageant is the Miss America Pageant which will celebrate its 50th anniversary in September at the national finals in Atlantic City, New Jersey.

Once again the Wareham Chamber of Commerce will sponsor the Miss Wareham Scholarship Pageant on May 23rd at the Wareham Town Hall.

Pageant chairman Rita L. Blair announces that any girl who is interested in this program may enter the Miss Wareham Scholarship Pageant. Young women between the ages of 18 and 28 possessing charm, poise, intellect and talent may earn scholarships, prizes, and the privilege of competing for State and National honors in the future.

The Miss Wareham Scholarship Pageant franchised area includes the following towns and areas: Wareham, Carver, Marion, Rochester, Mattapoisett, Plymouth, Middleboro, Bourne and all of Cape Cod.

The present Miss Wareham 1969, Noreen McConnell, of Plymouth, will crown her successor climaxing a very active year. Noreen is presently attending Chamberlain Retailing School, majoring in Fashion Merchandising and Retailing. She has served as a Fashion Coordinator and Commentator for several Fashion Shows, sponsored by the school, and will further a career in Fashions following her graduation in May.

Several committees are preparing for the future of Miss Wareham 1970 and her fellow contestants. Serving on the Program Book as chairman is Mrs. Peter Anastasi; Financial Advisor, Mrs. Emma R. Houle; Posters, Mrs. John Westgate; Judges, Mrs. O. Jay Mueller; Publicity, Norman Harrison. Other committees will be announced

ARTS AWARDS BANQUET

Tired of negative thinking, negative news, and especially pessimistic generation talk? It would seem that we're always plagued with those whose view of the doughnut must be eternally fixed on the hole.

The remedy is so easily available, and the dosage so pleasing, that everyone afflicted should take the cure now.

We prescribe attendance at the April Arts Awards Banquet on April 18th at 6:30 P.M. at the V.F.W. Pavilion on Route 6 in Marion. The occasion is sponsored by FORAM, Friends of Old Rochester Arts and Music.

The banquet is designed to recognize the many talented and dedicated students at Old Rochester who have contributed to the instrumental and vocal music activities, drum majorettes, arts and drama groups. Qualified seniors and juniors in these programs will attend the banquet as guests of FORAM.

There will be talk, the formal part will be brief, about the recent past which will include "George M!", "The Crucible", Christmas concerts, Pops concerts, Exchange Weekends, "Oliver!" and much more.

The yearly FORAM awards to the most outstanding instrumental and vocal music students will be announced. Chris Glaeser and George Fisher won last year.

Band blazers will be awarded to the two Senior members of the band who have contributed most to the band over the years.

The Mazmanian Award will be presented to the member of the Junior Class who has contributed most to the total musical effort at O.R.R.H.S.

Others will be recognized for their special contributions.

Each of you reading this article is invited to become part of the vigorous present by joining an outstanding group of young people on April 18th. Tell your friends that a ticket will provide them with an excellent meal catered by the V.F.W., a chance to show their support of the strong cultural program at O.R.R.H.S., and to share the excitement of the special awards.

Any of you who has had the pleasure of treating yourself to an O.R.R.H.S. program

Voyage of The Manta

The last complete whaling venture from the port of New Bedford, Mass.

Story and photos by Ray Buckley

Thursday, August 13th - Rain. Breeze came up about 2 A.M. and we were making good time. The 13th must be unlucky for us. Threw a pair of shoes over the side to make wind and have done everything else we could think of. Squally, did not get main'sle up to-day but made fairly good time. Breeze failing.

Friday, August 14th. Heavy fog. Calm. Took depth 41 fathoms. Took in fore'sle and jib and just drifted. Rain, fog lifted, set jib and fore'sle. Can you beat the luck? Looks as if we won't get home this week. Bread is sour. Hash was always bad, now we can't eat it. Had a good wind yesterday but Captain would not set main'sle. Just heard we were 1 degree from Fall River. That's about 74 miles to New Bedford but we have no wind to speak of. Slushed down masts to-day and I got the main topmast. Broke out anchor chains to-night so I guess we are close to home. Rum runner came along side tonight and wanted to buy some booze. Said we were 40 miles off Sinagod Light. Out Captain was overheard to say we were 40 miles off Firestone Island.

Saturday, August 15th - Good breeze came up about 10 o'clock last night. And the darned skipper headed S.E., ran S. most of the night. Headed north again at daybreak. Put up main'sle at 7:30. Now we are wondering if we will get in this week or next. We have no idea where we are. Cold, got sweater and sheepskin on. Revenue cutter looked us over this morning. Wind failed at 2 o'clock P.M. Been laying in dead calm ever since. Some luck. Cases of booze reported floating by.

Sunday, August 16th - Two weeks ago to-day I was wondering where I would be at this time, but I never expected to be at sea. I thought that by this time I would be home and have forgotten I ever went whaling. The food is bad, what little we are getting. We've run out of supplies and the Captain

won't break anymore out. Even water we have plenty on board but they're too lazy to take the bung out of the cask. We can't have any water to wash up in. Have not washed for days.

Laid in dead calm all night. Not a breath of air this morning. Glorious sunrise. Stole some water this morning and had a wash. Last wash I had was Tuesday. We think we are almost home. There are steamers going back and forth on the horizon and we think it's the New York boats from New Bedford and Fall River. Dozens of whiskey bottles going by. Also cases. Just been boarded by a rum chaser. Thought we were rum runners. Told us we were 25 miles from Block Island and 60 miles from New Bedford. It's a good thing we are getting off this barge soon. We get flys and beetles in everything we eat. I don't dare look at my food while I'm eating it. What one doesn't see doesn't hurt. There's no taste to anything. Hope a wind comes up at sunset. Then we can expect to get ashore to-morrow.

Monday, August 17th. - Well, it looks as if we weren't going to get home this week either. We are still laying in a calm

with no signs of wind. Rum runner came alongside yesterday and wanted to buy some booze. Before he left he tossed us a package of cigarettes. It fell short so Tony went overboard for them. When they saw how bad we wanted them they turned around and when they passed threw 3 packs of Fatimas aboard. One went over the side but we got the rest. Perhaps the boys weren't happy. Ought to have seen the mad scramble. But they divided them up. Crowie caught some hake so we had fish for supper. And can you believe it? They broke their hearts and gave us some canned pears. C.G.-10 came alongside but did not board us. C.G.-5 also looked us over. Still laying in a dead calm. Last report we were laying 20 miles off Montaug Point. Everybody is on edge again. If one looks at the other he gets threatened to a beating up. If curses had any effect this schooner and the officers would be keeping Davy Jones company. We've been laying here 3 days and to think that 10 hours' sailing in a fair breeze would put us in New Bedford harbor.

To be concluded.
